

KLARAVEX — B2B SALES DECK

AI-first managed IT & security for US businesses

89% of issues resolved instantly, 24/7. Senior engineers in under 2 hours. Transparent pricing.

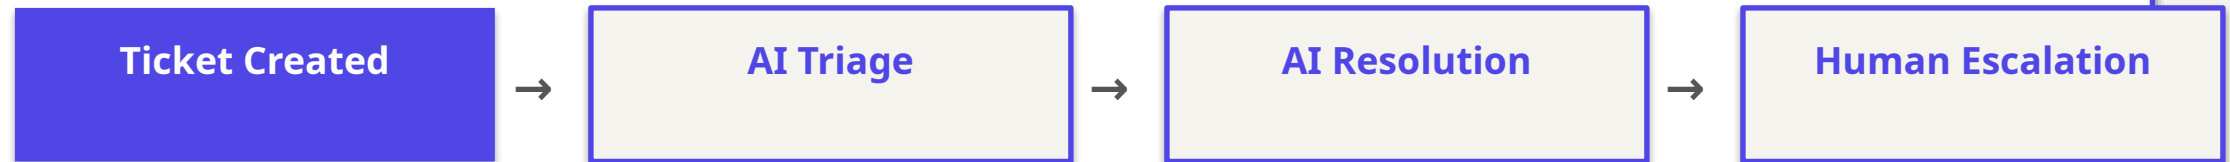

Your IT is a liability

Small law, accounting, and medical firms face constant security risks and expensive reactive support.

What you get

AI-powered support, security hardening, compliance readiness, and a senior engineer on call.

Ticket flow

Support ticket lifecycle diagram

Service tiers
