

INTERNAL

INTERNAL — KLARAVEX-OS

The operator cockpit

Distinct from Founders OS (client portal). Runs on :4100 for internal operations.

INTERNAL

KLARAVEX-OS vs Founders OS

KLARAVEX-OS (:4100) = internal operations. Founders OS = client portal for end-users.

INTERNAL

Core features

Real-time monitoring, agent orchestration, billing management, and compliance dashboards.

INTERNAL

Architecture

Built on FastAPI, PostgreSQL, and systemd timers. Calls Growth API exclusively.

INTERNAL

Access KLARAVEX-OS

Local: <http://localhost:4100> | Production: [internal URL]

localhost:4100
