

INTERNAL

INTERNAL — TECHNICAL ARCHITECTURE

Klaravex platform architecture

Ground truth in ARCHITECTURE.md, Klaravex2.0/MIGRATION.md, and klaravex-os README.

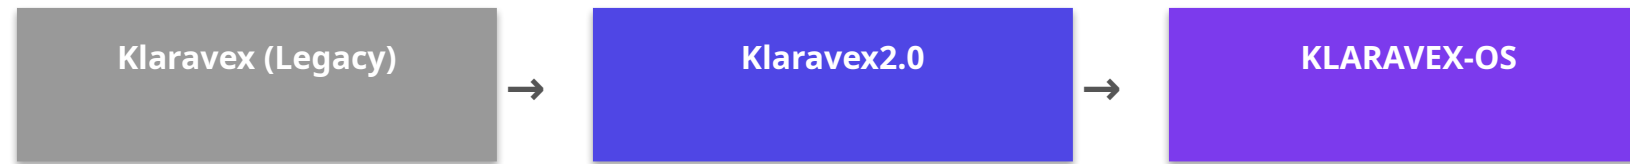

INTERNAL

Estate map

Klaravex → Klaravex2.0 → KLARAVEX-OS: incremental migration from legacy to modern stack.

INTERNAL

Growth OS architecture

Four layers: Revenue agents → Ops glue (n8n) → Growth API → KLARAVEX-OS.

INTERNAL

Core technologies

Python, FastAPI, PostgreSQL, systemd timers, Claude AI agents, UniFi network management.

INTERNAL

Security boundaries

Zero-trust networking, conditional access, encrypted messaging, audit trails per compliance requirements.
